# *2019 Limited Edition Tree Ornaments Have Arrived!*

Our 2019 limited edition tree ornament honors the 1936 Baytown Post Office located at 3508 Market Street. The post office, now known as Station A, is depicted on a beautiful 3 ¼ inch satin blue glass ornament in shades of white, tan, green, dark brown, and terra cotta red.

***Drawing is not exact colors or size of ornament***

This quaint post office with its bookend towers was originally more than just a place to buy stamps and take care of the mail. Regulated and funded by the Federal Government, the post office was a facility in charge of sorting, processing, and delivering mail to recipients. In addition to P.O. Box distribution and delivery services, it also provided other services including passport applications, applications for social security cards, and registration for military draft services. Prior to home mail delivery, the post office was also a social setting of sorts when people came into town to pick up their mail and would visit with others who happened to be there at the same time.

The ornament is $13 and can be purchased at The Baytown Sun, 1301 Memorial Drive. If you prefer or live out of town, we will be happy to mail yours to you for a shipping/handling fee of $3.75 per item.

Ornaments may also be ordered using a credit card or PayPal (minimum service fee) by emailing us at info@baytownhistory.org with the quantity of ornaments you would like to purchase. Also, please let us know if you want the ornament(s) mailed to you or if you will pick them up in person. We will then email you an invoice so you can make a secure online payment.

These ornaments make great gifts and will be appreciated by anyone with a Baytown connection. We are producing only a limited quantity—so don't miss out and order yours today!

Purchases benefit the BHPA's operational expenses for its historical buildings at the Republic of Texas Plaza. For additional information, call 281.421.2099 or email info@baytownhistory.org.
