2021 Limited Edition Tree Ornaments Have Arrived!

The Baytown Historical Preservation Association's limited edition tree ornament for 2021 features Radio Station KREL in shades of black, blue, green, and white on a satin marron glass ball measuring 3 ¼ inches round. A brief history of KREL is printed on the backside of the ornament.

KREL 1360, founded by The Baytown Sun and named in honor of Robert E. Lee High School, hit the airwaves on

December 2, 1947. The station was known as the "sports, news and music" station of the Gulf Coast area. KREL broadcasted all the REL football games and sponsored cooking classes, student radio workshops, sock hops, and various contests. Rascal McCaskill's renowned "Night Train" had thousands of teenagers tuning in nightly to listen to rhythm and blues, with many calling in special requests. In 1959, the station was sold and the call letters were changed to KWBA ("K-Bay") and later to KBUK. The KREL building still stands by the railroad track at Decker Drive and Wade Road with KWWJ above its door.
