2023 Limited Edition Tree Ornaments Commemorating Baytown's 75th Birthday!

In honor of Baytown's 75th birthday, the Baytown Historical Preservation Association's limited edition tree ornament will feature Baytown City Hall in shades of brown, white, green and tan on a gloss blue glass ball measuring 3 ¼ inches round. The backside of the ornament will depict the City's official 75th logo in shades of yellow and white.

After the 1948 consolidation, the old Pelly City Hall on West Main was used as Baytown's city hall until a new one was built. On July 8, 1966, the official groundbreaking ceremony took place for the Baytown Civic Center (City Hall and Community Building) on a 29-acre wooded area off Market Street. Baytown architect Lowell Lammers had stated, "We're attempting to make the city hall as elegant as possible with the money we have." Lammers had selected a "southern type" of architecture with colonial pillars and exterior brick for both buildings. In November 1967, the new city hall was ready to open.
